

2 Gallon Sharps Containers provide safe disposal of needles and syringes. The clear, slide access lid allows a view of the fill level, temporary closure for safety and locks for final disposal. The expanded horizontal drop maximizes usable container volume for larger sharps.

Product Code: 0320-1500

Product Description: 2 Gallon RED

Packaging detail: 20 Units/Case, Nested

Access opening size: 5.6in x 2.3in

Access opening and Closure: Slide

Overall Size LxWxH: 10.3in x 7.0in x 10.1in

0320-1500

Compares to: Covidien 31142222

320-150R

Compares to: Covidien 8970 / 8990SA

0320-150F

Compares to: Medegen 8707
